

*Barbara Zeigler*

In 1998 Barb Zeigler took her first small airplane ride in a Cessna 172 from First Flight (KFFA) airport in Kitty Hawk, NC. It was the beginning of an amazing journey into the world of aviation.

She has been a 99 since 2002. She is currently the Eastern PA Chapter Chairman, event co-coordinator for the chapter's Pennies-A-Pound and is flying in her second Air Race Classic this year. Barb served as the Pottstown Aircraft and Pilot Association president from 2004–2009.

She lives in Limerick, PA with her husband. They enjoy traveling and have a special fondness for North Carolina and its beautiful coast line. Barb flies out of Heritage Field (KPTW). She currently rents an airplane but hopes that she can purchase a gently used Cessna in the future. Barb is a Contract Specialist for Reed Technology and has been with the company for more than 9 years. She also has an extensive background in Procurement and will mark her 20th anniversary in that industry in 2013.
